

Welcome to Bahia, Evan

Agroverse Origin Tour · October 1–7, 2026

Black King Warehouse – Ilhéus Santos Chocolate Factory – Itabuna
Oscar's Farm CIC Cacao Innovation Center Bico Duro Capoeira – Itacaré

Gary & Matheus — Black King Warehouse, Ilhéus

4WD jeep transport to be booked once Evan confirms his flight

Your Bahia Itinerary at a Glance

Agroverse Origin Tour · Oct 1–7, 2026

- Day 1–2 — **Black King Warehouse, Ilhéus**: meet Matheus Reis, see our QR-tagged ceremonial cacao inventory and export operations.
- Day 3 — **Santos Chocolate Factory, Itabuna**: bean-to-bar craft processing with José Carlos (40+ years in Bahian cacao).
- Day 4 — **Oscar's Farm**: three-generation cabruca agroforestry, 80-year-old Criolla trees, fermentation & drying.
- Day 4–5 — **Centro de Inovação do Cacao (CIC)** with Cristiano Villela Dias: lab analysis, quality & traceability.
- Day 6–7 — **Bico Duro Capoeira, Itacaré**: Tribo Bahia Mirim social program — capoeira, culture, and the kids' credentialing.

Cabruca cacao grove, Bahia

Bahia coast — capoeira & sunset

Stop 1 — Black King Warehouse · Ilhéus

Agroverse Origin Tour · Oct 1–7, 2026

- Managed by **Matheus Reis** — our export & warehouse partner on the ground.
- Holds the Agroverse **ceremonial cacao** inventory: QR-coded bags, batch-tracked on the ledger.
- See how cacao moves: farm → warehouse → bagging → QR registration → shipment.
- Team: Matheus, Emelin, Clara & Fernando — the people behind every order.

Stop 2 — Santos Chocolate Factory · Itabuna

Agroverse Origin Tour · Oct 1–7, 2026

- Run by **José Carlos (Santos)**, a 40+ year veteran of the Bahian cacao industry.
- Turns Agroverse almonds into **nibs, liquor, and finished bars at the origin**.
- Watch roasting, winnowing, cracking and melanging — the full craft process.
- Finished bars packed by hand and shipped worldwide.

Seeing the beans for the first time

Processing the beans

Stop 3 — Oscar's Farm · Cabruca Agroforestry

Agroverse Origin Tour · Oct 1–7, 2026

- Three generations of farming; the land has grown cacao for over a century.
- Old **Criolla trees (~80 years)** shaded by native Atlantic Forest — true cabruca.
- Harvest, pod-breaking, **fermentation troughs** and sun-drying on the terreiro.
- Coopercabruca co-op member — the source of our single-origin ceremonial cacao.

Oscar, our farmer partner

Agroverse-branded fermentation

Farm page: agroverse.shop/farms/oscar-bahia

Stop 4 — CIC Cacao Innovation Center · Ilhéus

Agroverse Origin Tour · Oct 1–7, 2026

- Meet **Cristiano Villela Dias**, scientific director of the CIC (Centro de Inovação do Cacao).
- Physical-chemical **lab analysis** of almonds: quality, fermentation index, traceability.
- Part of PCTSul — the science park driving the new professional cacao economy of southern Bahia.
- The lab behind Agroverse's quality certifications and origin claims.

Stop 5 — Bico Duro Capoeira · Itacaré

Agroverse Origin Tour · Oct 1–7, 2026

- Visit **Tribo Bahia Mirim** — Mestre Bico Duro's capoeira school & social program.
- Kids learn capoeira, music, discipline — with **on-chain credentialing** of their progress.
- 39 move tutorials are public on YouTube; practice sessions are tracked per student.
- Capoeira + cacao: the same circle of culture, health and community we bring to the USA.

From Farm to Your Door — Proof on the Ledger

Agroverse Origin Tour · Oct 1–7, 2026

- Every Agroverse shipment (AGL series) is photographed and logged end-to-end.
- QR-coded bags link each unit to the farmer, the fermentation batch and the buyer.
- Blockchain + Google Sheets ledger = full traceability from tree to table.
- The AGL14 shipment shown here is one of many export runs to our partners.

Getting Around — 4WD Jeep Circuit

Agroverse Origin Tour · Oct 1–7, 2026

- **Transport:** once Evan confirms his flight, Gary books a **4-wheel-drive jeep** for the whole circuit.
- Route: Ilhéus (warehouse) → Itabuna (factory) → farms → Ilhéus (CIC) → Itacaré (capoeira, beach).
- Rough farm roads and Atlantic Forest terrain make 4WD the right call.
- Local driver/guide who knows the cacao country, farms and people.
- Suggested base: Ilhéus, with day trips — Itacaré is a beautiful ~1h coastal drive south.

Cacao country — Atlantic Forest hills

Why This Matters

Regenerative cabruca cacao restores the Atlantic Forest while our mission drives 10,000 hectares of Amazon rainforest regeneration.

Every bag you see on this tour is a step toward that goal.

See you in Bahia, Evan — October 1–7, 2026.
